EXPERIENCE

AMAZON | PROCESS ASSISTANT   Mar 2020 – Present
Responsible for assisting in different departments I got trained such as stow, count, and tote running brings efficiency to the managers I'm working under.
· I become the employee of the month in the first 5 months of working.
· Shared some experienced knowledge to new employees to better their workflow.
· Collaborating with the management team to quickly resolve AR floor issues.
· Became an L3 PA and managed around 26 associates analyzing and interpreting data for customer shipments, items that fell on the AR floor, problem-solving solutions to run the floor smooth and efficiently.

SpartanNash | ORDER SELECTOR   Nov 2018 – Feb 2020
· Responsible for picking frozen items for company demands and ship them out in a strict timely manner.
· Improved my skills on how to utilize an electric pallet jack.
· Actively providing easier ways to improve wrapping packages neatly and secure to get them ship off to the right places.

H&M | SALE ASSOCIATE / VISUAL   Oct 2013 – July 2018
Responsible for providing quality customer service, doing various duties worked as a visual associate in training setting up mannequins for upcoming events or for peak.
· Became a visual associate within two years of starting.
· Took initiative to learn management and other roles in the company.
· Increased my knowledge of the company goals and got the opportunity to design H&M Black Friday shirts for the associates at the store I worked at.
